PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience building AI-powered web and mobile applications using ReactJS, Next.js, React Native, TypeScript, Firebase, and Supabase. Passionate about creating intuitive, user-focused digital experiences that solve real-world problems. Fluent in English and proficient in **German** (B2), combining strong communication skills with technical expertise. Adept at learning quickly, collaborating effectively, and delivering scalable solutions.

TECHNICAL SKILLS

- **Frontend:-** ReactJS, NextJS, React Native, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS, Responsive Web Design
- **Backend & Database:** Firebase, Supabase, REST APIs, SQLite
- **Tools & Platforms:** Git, GitHub, Expo, VS Code, Figma, AI-assisted development workflows
- Creative problem solving and code optimization.

WORK EXPERIENCE

Projects

GermanWritingPractice.com | AI-Powered German Writing Practice Platform

Technologies: ReactJS, Nextjs, typescript, Supabase

- Created an AI-powered platform that helps German learners practice Goethe-style writing tasks and receive instant feedback on their responses.
 - *Used Supabase for secure user authentication, real-time data handling, and personalized learning experiences.*
 - Inspired by my own journey learning German, I built the platform to address the common challenges learners face when improving their writing skills.
- live demo: <https://germanwritingpractice.com/>

Important German Vocabulary | Mobile Learning Application

Technologies: React-native, Expo, Typescript, firebase, SQLite

- Developed a mobile app that helps learners build and review German vocabulary from A1 to B2 levels.
- Added offline access using SQLite so users can continue learning without an internet connection.
- Applied personal experience as a German learner to build features that support consistent vocabulary retention.

Frontend Developer Intern | GROWMORE | June 2023 – July 2023:

- Contributed to building responsive web applications using ReactJS, JavaScript, HTML, and CSS while collaborating with the development team to implement new features and resolve issues.
 - Integrated APIs, optimized user interfaces, and followed agile development practices to deliver high-quality, user-focused solutions.
-

EDUCATION

- Bachelor of Technology (B.Tech) – Computer Science and Engineering
Sri Venkateshwara College of Engineering (SVCE) under JNTUA University. – March 2023
 - Post Graduate Diploma in German and English
Sri Krishnadevaraya University .
German Language Certification
Completed German B1 and B2 Courses – July 2025
-
